**Circostrada-FEDEC « Off the Record » Session** Monday 24.10.2016 @ St Exupéry elementary school

For 5 years, FEDEC and Circostrada have explored with their members topics and issues shared by both the education and the professional sector.

This session will focus on the launch of MIROIR03 and will continue the discussions around the issue of training, skills and employment between Circostrada members and FEDEC focus group nb. 4-5. The objective is to jointly identify the evolutions, questioning and challenges of the sector when we speak about the key competences required for the main circus artists of today, their needs for support for the transition to work and their career path. For the first time, the networks Territoires de Cirque and the FFEC will join the meeting. Interested in joining us? The discussion will continue at maison du festival with a drink.

[Open only to members of group nb.4-5]

**INTENTS partnership meeting #5** Tuesday 25.10.2016 @ CCI

The 5th meeting of all 33 partners of the project will be the occasion to follow up on the activities and to open the dialogue between partners to reach quality activities and publications and reflect together what will be the future INTENTS02 project.

[Open only to FEDEC members]

**MAILLONS03 workshop** Thursday 27.10.2016 @ Tourism office

Focus group nb.3 will present the online version of the Repertory of creation exercises/experiences and will focus on the *artistic pedagogy* aspect of the ongoing theme *Student support/guidance*.

[Open to FEDEC artistic and pedagogical directors]

**General Assembly** Friday 28.10.2016 @ CCI

Assessment of the year 2016, presentation of the work program 2017, discussion about the next **triannual** program 2018 – 2020 and on the network and sector's developments. The GA will be followed by a cocktail offered by INTENTS project

[Open only to FEDEC schools representatives]

**Public workshop INTENTS #2** Friday 28.10.2016 @ CCI

The public workshop intends to present the project and discover testimonies of the people behind the project and its actors as well as the content of the new educational publication. A Q&A session will be organized to open discussion and consultation with the public about educational tools. A welcome cocktail will open the workshop! Join us!
