

XIX EDITION OF THE INTERNATIONAL FESTIVAL
Sul Filo del Circo 2020
Grugliasco / Torino – Italy

Fondazione Cirko Vertigo in cooperation with FEDEC is pleased to launch this call for projects in the frame of the XIX edition of the Festival SUL FILO DEL CIRCO.

The Festival will take place in Grugliasco (Italy) from 3 to 25 July 2020 and will be entirely devoted to contemporary circus careers: young artists, pedagogues, programmers, students, researchers, in the frame of our efforts for the recognition of the sector at a national and international level. The call is addressed to all FEDEC circus school and is looking for contemporary circus shows to be included in the Festival programme.

We will host 4 large-format shows (up to 12 artists) to be presented at Teatro Le Serre during the weekends and between 8 and 12 small format shows (up to 6 artists) to be presented at Chapiteau Vertigo or Teatro Perempruner or Café Müller during the weekdays.

Fondazione Cirko Vertigo will be responsible for the organization and coordination of the Festival and will cover the travel expenses, accommodation, meals and technical requirements as follows:

- Maximum 6 persons per small projects and 12 for big projects;
- Accommodation and meals covered for artists and one accompanying person for 3 or 4 days (depending on the number of exhibitions): 1-2 nights before the show; 1-2 nights for the show, departure the day after the last show;
- Transport: support for travel costs (the aid ceiling will be set based on a cost estimation depending from the country of origin).

The final selection will take into account the following elements:

- Technical and artistic quality;
- The representativeness of countries and types of schools;
- Cost estimation.

This selection will be carried out by an internal committee made up of professionals under the presidency of the artistic direction of the Festival. The selected projects will be announced on 18th October 2019.

Projects proposal must be submitted within 30th September 2019 by email to the following address:

progetti@cirkovertigo.com

For any further info please write to progetti@cirkovertigo.com.

VENUES

TEATRO LE SERRE

**A big top with frontal stage raised 1.2m, stage measures 10 x 9.60m.
490 numbered seats**

Teatro Le Serre is a 1,000 square meters big top located in the Parco Le Serre in Grugliasco. It is equipped with audio lights and video service, plan dimensions of approximately 45.8m X 31.2m and a maximum height of 15.6 m. A place suitable for all kinds of shows; 2 dressing rooms; central screen of 9m x 5m with 2 side screens for projections.

CHAPITEAU VERTIGO

**Semicircular stage space measuring 8 x 8 m.
120 seats**

Chapiteau Vertigo located in the Parco Le Serre in Grugliasco, 16m in diameter and a maximum antenna height of 9.00m, with the possibility of hanging aerial tools on a truss 8 m high.

TEATRO PEREMPRUNER

**Historic building dating back to 1700 -rectangular shape
120 seats with possibility to adapt and module the seating plan (based on the use of the seating area as a stage space)**

The Perempruner Theater is a historic building in Grugliasco, located in the city center, renovated in 2018. It is a multidisciplinary theater with the possibility of setting up both the stage and the stalls for the show. The front view stage, raised by 1 m, measures 9 x 10m, with a height of 5m on a trellis. The stage space of the stalls area measures up to 10 x 10m with the possibility of hanging to choose between 3 different trusses at a height of 6m. It has 6 dressing rooms with showers and a large foyer area.

TEATRO CAFÉ MULLER

**Historic building dating 1900
140 seats - with possibility to adapt and module the seating plan (based on the use of the seating area as a stage space) and 40 sitting places in the Gallery**

Multidisciplinary theater in the center of Turin, near the main railway station, consists of a spacious Sala on the lower floor for events, meetings and shows. The Sala is equipped with a raised stage of 1.20 m, which has the following dimensions: 3.50 x 9.50 and a wide stalls area of up to 9.99 x 10 m with the possibility of hanging to choose between 3 trusses on height of 4, 6 and 7m. On the upper floor there is a smaller room called Galleria, which overlooks the Sala below through a glass window, a perfect space for open rehearsals, debates, meetings with the artists.
