Over the past 2 years, RIGGERS has enabled the creation of an international rigging community, as well as the deployment of numerous activities aimed at improving safety measures in circus education: visits and exchanges, seminars, masterclasses, FED-Talks, and even a survey of the circus school rigger profession. Come and join some rigging enthusiasts, artists, students, training and safety professionals to celebrate the results of the RIGGERS project!

Want to join?

This closing event is free of charge but please, if you are coming, **register via this form before March 29, 2024.**
