

ORGANISATIONS DEALING WITH HARASSMENT AND ABUSIVE CONDUCT - 2025

Please find below a list of organisations dealing with sexual violence, harassment and abusive conduct, as well as gender discrimination. The list has been compiled by FEDEC to provide a useful tool to member schools to support victims, to train staff, students, bystanders, and families, as well as to raise awareness about the importance of integrity and equality in circus schools. The mapping includes all countries where FEDEC members are located. This list is not exhaustive: if you wish to complete it, please write to communication@fedec.eu.
