▷

▷

▷

▷

SKILLS TO BE DEVELOPED DURING THE MOBILITY

Identification of the learning outcomes acquired during the mobility:

To be developed for each pre-established aims between sending and hosting schools. To be filled by both schools

Sending school :

▷

▷

Hosting school :

▷

▷

Assessment of individual's learning outcomes and acquired skills:

What methods were used to assess the learning outcomes acquired during mobility? (by the sending and hosting school/organisation)

Specify the 4 types of skills acquired: artistic, technical, social and personal

Valuation and validation of learning outcomes (and of the 4 types of skills) during the mobility (in the framework of training or career development)

OR

Certification of the results of the learnings outcomes assessment (and the 4 types of skills) as a qualification or credit leading to a qualification.

(As part of a degree program, specify in which courses, how is it translated in the assessments and initial qualifications or continuing education, VAE – Validation of the Acquisition of Experience, etc.)

The complete process of **validation** consists of the following elements that each individual can take advantage from (either separately or in combination, in accordance with his/her needs):

Identification of an individual's learning outcomes acquired through non-formal and informal learning.

Documentation of an individual's learning outcomes acquired through non-formal and informal learning.

Assessment of an individual's learning outcomes.

Certification of the results of the learning outcomes assessment in the form of a qualification, or credits leading to a qualification.
