

PRESS RELEASE

Kyiv Municipal Academy of Performing and Circus Arts announces XIII International Scientific and Practical Conference Theatrical and Musical Arts: Circus and Performing Genres. Scientific and Methodological Aspect" scheduled for April 17-18, 2024.

The event will feature a unique blend of theoretical discussions on April 17, followed by practical workshops on April 18, 2024.

This two-day conference aims to provide a platform for professionals to explore and share their insights, fostering an environment of learning and collaboration. Attendees have the option of participating in two different ways:

- Print Material Submission: Participants can contribute by sending their printing material for publishing without online presentation.
- Interactive Presentation: Alternatively, individuals can do a 15-minute online presentation to discuss their chosen topic, complemented by an article for publishing.

To express your interest and secure your participation, kindly fill out the form:
