GENERAL ASSEMBLY - MONTPELLIER, 14 APRIL 2023

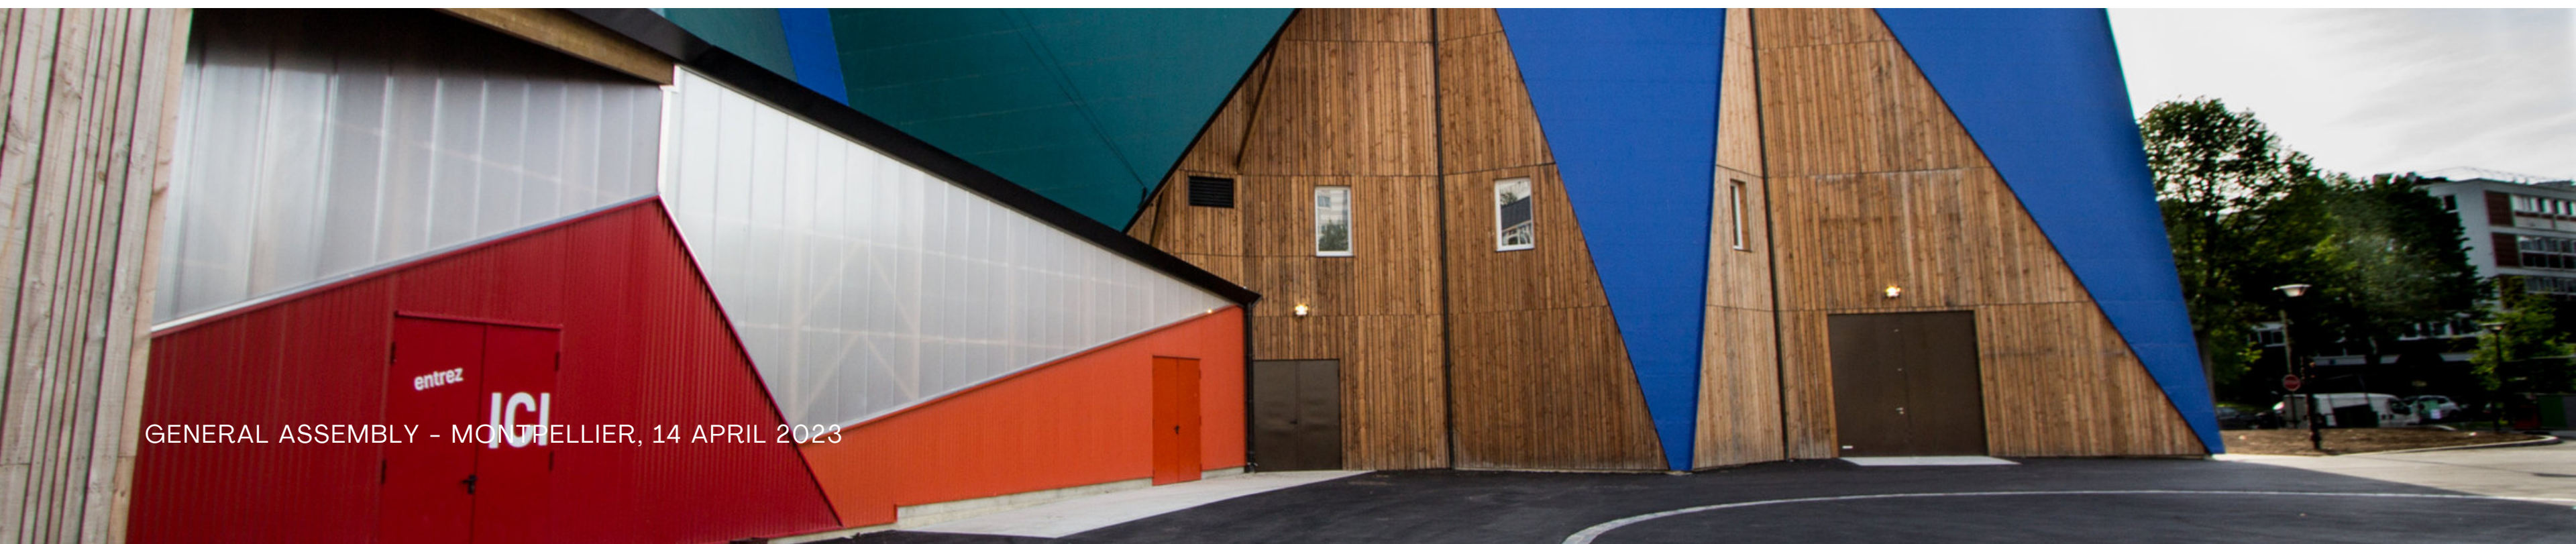

# Le Plus Petit Cirque du Monde (PPCM)

## Full member application

- A school, an artistic residence and a performance factory.
- Based on a process of co-construction with various partners.
- Internationally recognized for its strong social mission: to mobilise art for the civic, economic and urban development of territories.
- In 2016 the PPCM set up the first training course in Urban Acrobatic Arts. The training is centered around acrobatic and danced movement, combining the technicality of circus acrobatic movement with that experienced in freerunning and urban dance (hip-hop, break).

 Bagnex (FRA)

# Galway Community Circus (GCC)

## Partner member application

- Provides access to high-quality subsidised circus arts education through a circus school offering youth and adult programmes and professional training.
- Creates community programmes in partnership with those who have specific social or developmental needs.
- Provides artist support, training and mentoring and leads the development of youth circus in Ireland.
- CBC is part of the Caravan network and regularly participates in International projects funded by Erasmus+ & Creative Europe programmes.

GENERAL ASSEMBLY - MONTPELLIER, 14 APRIL 2023

# LONE STAR Circus School (LSCS)

## Full member application

- Preparatory school.
- Non-profit performing arts educational organisation.
- Mission: to perform and educate through Circus Arts a celebration of diversity, humanity, and circus heritage.
- Dedicated to inspiring future generations of circus performers and engaging people
- The school's preparatory programs cover all areas of introduction, preparation, development, and advanced vocational training for a professional career in the circus arts.
- "Elite professional": their most advanced course, 6-15 hours a week, for 15-18 years old students, with min 5 years of experience.
- LSCS director is the renowned artist Fanny Kerwich, former Fratellini's student.

📍 Dallas, Texas (USA)  
[www.lonestarcircus.org](http://www.lonestarcircus.org)

# Seneca Intensiv

## Partner member application

- Preparatory school.
- Educational institution for working with and teaching the artistic movement
- Educates in the fields of dance, physical theatre & circus for both artistic work and pedagogical work.
- Offers different full-time (30h a week) VET courses of 1 year in dance, choreography, movement pedagogy & circus arts.
- Since January, SI hosts circus students from the former circus school “DIE ETAGE” giving DIE ETAGE students the possibility to follow their courses and finishing their 3-year training in circus arts.
- SI cooperates with Bundesverband für Zeitgenössischen Zirkus (BUZZ) and recently initiated a discussion with other local schools to discuss the future vocational education of performing artists in Berlin and Germany and the possibility of founding a new school.

GENERAL ASSEMBLY - MONTPELLIER, 14 APRIL 2023

# Fundacja Sztukmistrze (Sztukmistrze Foundation) **FEDEC**

## Partner member application

- Future preparatory school.
- Non-governmental organisation established in 2010 to develop & promote contemporary circus in Poland.
- Organises festivals and events, including the Eastern European Contemporary Circus Festival CYRKULACJE and the European Juggling convention in 2012 and 2017.
- Organises also trainings for artists, children, and young people.
- Advocates also for the value & diversity of circus arts to policymakers and this year it will introduce the first Polish internet portal about contemporary circus and run a social campaign about the circus as an art form worth recognition.
